Bureau***

Food and agriculture is Ohio's top industry, contributing \$93.8 billion to Ohio's economy.

In 2011, 54,000-plus talented individuals will be sought after to fill U.S. agriculture-related job openings. USDA predicts that 46% of these available jobs will go unfilled this year alone!

Now is the time to help our youth see the many job opportunities related to agriculture.

The day's agenda will be:

8:45-9:00 ~ Arrival at Sunrise Cooperative

9:00-12:00 ~ Rotational Learning Stations

- * Tour Sunrise - See the current science and technology that is used while touring the grain and fertilizer operations.
- * Ag related jobs - Conservation, farm safety, and financial.
- * Ag Economics - Who gets what portion of the price we pay for our food.

12:00-12:45 ~ Lunch provided by Crawford County Farm Bureau

12:45-1:30 ~ What is FFA?

This event is offered free to any 7th or 8th grade student. Reservations are required by September 27th. When making reservations please provide contact person's name, email, school, grade level and number of students that will be attending.

Questions and reservations can be made by contacting the Crawford Soil and Water Conservation District, 3111 State Route 98, Bucyrus - (419) 562-8280 or email Diane Sand at diane.sand@oh.nacdnet.net

We will contact you before September 30th to let you know what day your school is scheduled to attend.
